

College of Education ~ Teacher ProCert

Intent to Participate

Please check your preference:

_____ **Graduate Credit ~ Six credits total** (two 3-credit courses)

Please return this form to Darlene (see below) and then contact Helen Berry (hberry@tricity.wsu.edu) to receive instructions on how and when to apply to graduate school. There is a specific sequence of steps for the ProCert program. You must be accepted into the Graduate School before you are eligible to enroll in WSU courses. You are required to have WSU admission status before the first day of class. If you do not, you will be assessed late fees and may not be able to receive credit for the course.

_____ **Non-Credit ~ Face-to-Face - \$1,000** (two courses / \$500.00 per course)

This option is for teachers who *do not* want/need graduate credit. This preference includes the option to purchase 45 clock hours upon completion of each course. Fee payment will be made directly to WSU-Pullman. You will be contacted via email with payment instructions.

_____ **Non-Credit ~ Online - \$1,200** (two courses / \$500 per course + \$100 online fee)

Same as non-credit/face-to-face option; however, you will have an additional online registration fee of \$100/course.

Name: _____
