Coordinated Bachelors Degree Program Newsletter

The most recent Coordinated Bachelors Degree Program newsletter is located at:
<http://www.tricity.wsu.edu/cbdp/Feb.%2006%20CPDP%20nwsltr.pdf>

Coordinated Bachelors Degree Program students are invited to attend events at WSU Tri-Cities. So that you'll know when things are happening I'll be sending you email messages from time to time.

Thank you for participating in the Coordinated Bachelors Degree Program!

~ **Renee Smith, Associate Director**
509-372-7328 or rrsmith@tricity.wsu.edu

Food for Thought

Join members of the Psy-Catics Club for coffee, bagels and conversation.

Wednesdays
8:30 a.m. to 10:00 a.m.
Cougar Café (West Building)

Additional information available at <http://www.tricity.wsu.edu/aswsu/> in the “What’s Happening” section or send an email message to PsyCatics@tricity.wsu.edu.

Psy-Catics Club web site: <http://www.tricity.wsu.edu/Psy-Catics/>

Nature Walks along the Columbia River

Come to reduce stress, enjoy nature and meet new people, or enjoy friendships with old acquaintances during an easy-to-moderate "walk and talk" along the river pathway.

Wednesdays
Noon to 1:00 p.m.*
ASWSU Student Lounge (West Building)

Bring walking shoes and a smile! Bottled water and a snack provided.

Backpack/purse check in a locked room in Student Lounge (Senate meeting room).

Additional information available at <http://www.tricity.wsu.edu/aswsu/> in the “What’s Happening” section or send an email message to PsyCatics@tricity.wsu.edu.

* Allow less than one hour for walk.

Tri-Cities Business Club speaker – John Heaton, Pay Plus Benefits

John Heaton has focuses Pay Plus Benefits on providing small businesses with the same advantages in the HR arena as those enjoyed by larger companies.

John Heaton, Founder and President

Friday, March 24, 2006

7:00 to 9:00 p.m.

Consolidated Information Center Room 120

Wine Appreciate Club's web site: http://www.tricity.wsu.edu/student_clubs/wine_club.htm

“Learning from Katrina”: Tough Lessons in Preparedness & Emergency Response (Webcast)

Friday, March 31, 2006

7:00 to 9:00 p.m.

Consolidated Information Center Room 120

Join us as we discuss the tough lessons learned and share the experiences of public health leaders and community partners in surviving and responding to a disaster named Katrina.

Public Health Grand Rounds Goal

This program will seek to increase knowledge and awareness of the critical lessons learned in the response to Hurricane Katrina and enable participants to apply this knowledge to best practices in community preparedness.
