VISTA HERMOSA FOUNDATION
SCHOLARSHIP PROGRAM

Vista Hermosa Foundation is a family foundation started in 1994 by Ralph and Cheryl Broetje. The Foundation uses proceeds from Broetje Orchards to support programs for “children and the under-served” at home and abroad.

The Scholarship Program provides students who might otherwise not be able to continue their education, financial assistance and support to pursue their dreams. In this environment of encouragement, we invite youth committed to advanced education, service to community and values similar to our Mission Statement and Core Values to submit an application.

Mission Statement

We serve, encourage, and educate children and the under-served in their spiritual, community and human development.

Core Values

As Christian stewards…

We stand with the poor and under-served reaching out to the most marginalized and silenced, both at home and abroad, so that their voices may be heard and their needs may be met;

We nurture dreams so that individuals may find solutions to problems from within themselves and their communities;

We are creative partners using broad networks of support to encourage and enable individuals and communities to work together towards self-reliance and sustainability;

We encourage spiritual development as part of an holistic approach to community development and effective social change;

We value diversity embracing ideals of inclusivity, participatory development, and social reconciliation;

We are community-based recognizing the essential connections between people and the land in practices of good stewardship, mutual respect, and conciliation for all people, now and in the future.
